

SOUTHERN FORESTS AND VALLEYS REGION

The Southern Forests and Valleys is situated 300km from Perth in the beautiful south west corner of Western Australia.

The rolling hills and forested valleys welcome you to the region with the towns of Greenbushes and Bridgetown, where industry and tourism mix to create a vibrant atmosphere. Whilst the neighbouring town of Nannup combines gardens, craft, timber, and agriculture to create a welcoming community (*with tasty treats such as sheep cheese and chestnuts on offer alongside fruit orchards, beef and dairy cattle*).

Heading back inland, the forests open up on the town of Manjimup, where agricultural land is dotted with magnificent karri trees (*home of the internationally famous black truffle and Pink Lady apple*). Further south is Pemberton where the forest is more established, and agriculture co-exists (*renowned for spectacular marron, avocados, and native finger limes*).

Towards the coast lies Northcliffe surrounded by towering forests and rich coastal plains and wetlands (recognised as prime grazing land for beef and dairy cattle). Further south is Walpole, which is set on the tranquil waters of the Walpole Inlet (*known for its honey and lush pastures that sustain quality livestock*).
